9.03 Emirates ATP Rankings

A. Commitment Players. The year-end Emirates ATP Rankings is based on calculating, for each player, his total points from the four (4) Grand Slams, the eight (8) mandatory ATP World Tour Masters 1000 tournaments and the ATP World Tour Finals of the ranking period, and his best six (6) results from all ATP World Tour 500, ATP World Tour 250, ATP Challenger Tour and Futures tournaments. For every Grand Slam or mandatory ATP World Tour Masters 1000 tournament for which a player is not in the main draw, and was not (and, in the case of a Grand Slam, would not have been, had he and all other players entered) a main draw direct acceptance on the original acceptance list, and never became a main draw direct acceptance, the number of his results from all other eligible tournaments in the ranking period, that count for his ranking, is increased by one (1). In weeks where there are not four (4) Grand Slams and eight (8) ATP World Tour Masters 1000 tournaments in the ranking period, the number of a player's best results from all eligible tournaments in the ranking period will be adjusted accordingly. Once a player is accepted in the main draw of one of these twelve (12) tournaments, as a direct acceptance, a qualifier, a special exempt or a lucky loser, or having accepted a wild card, his result in this tournament shall count for his ranking, whether or not he participates. *

B. Non-commitment Players. The Emirates ATP Rankings is based on calculating, for each player, his total points from the four (4) Grand Slams, the eight (8) mandatory ATP World Tour Masters 1000 tournaments and the ATP World Tour Finals of the ranking period, and his best six (6) results from all ATP World Tour 500, ATP World Tour 250, ATP Challenger Tour and Futures tournaments. For every Grand Slam or mandatory ATP World Tour Masters 1000 tournament for which a player is not in the main draw, and was not (and, in the case of a Grand Slam, would not have been, had he and all other players entered) a main draw direct acceptance on the original acceptance list, and never became a main draw direct acceptance, the number of his results from all other eligible tournaments in the ranking period, that count for his ranking, is increased by one (1). In weeks where there are not four (4) Grand Slams and eight (8) ATP World Tour Masters 1000 tournaments in the ranking period, the number of a player's best results from all eligible tournaments in the ranking period will be adjusted accordingly. Once a player is accepted in the main draw of one of these twelve (12) tournaments, as a direct acceptance, a qualifier, a special exempt or a lucky loser, or having accepted a wild card, his result in this tournament shall count for his ranking, whether or not he participates. *

***NOTE:** A player who is eligible for a reduction of his ATP World Tour Masters 1000 commitment tournaments per Section 1.08 who withdraws prior to the withdrawal deadline and uses his exemption may have the number of his results from all other eligible tournaments in the ranking period, that count for his ranking, increased by one (1) for each milestone reached with a maximum of three (3). A player is not eli-

gible to use an exemption if he withdrew in any manner from that event the previous year.

C. ATP World Tour 500 – Ranking Penalty. A player's (Commitment and Non-Commitment players) withdrawal from an ATP World Tour 500 event whether on time or after the 12 noon deadline, shall result in a zero (0) point ranking penalty. Further non-consecutive withdrawals shall result in a zero (0) point ranking penalty assessed for each additional withdrawal. Players with multiple consecutive withdrawals who are out of competition for 30 days or longer due to injury will not be subject to a ranking penalty as long as verified and approved medical forms are provided; or, a player shall not have the ranking penalty imposed if he completes the Promotional Activities requirement as specified under "Repeal of Withdrawal Fines and/or Penalties" or if the on-site withdrawal procedures apply. Players may also appeal withdrawal penalties to a Tribunal who will determine whether the penalties are affirmed or set aside.* A commitment player who has received a zero (0) point ranking penalty for withdrawing from an ATP World Tour 500 event may replace the zero (0) point by playing an additional ATP World Tour 500 event in that same calendar year for a total of four (4) played. The replacement tournament must be after the 500 withdrawal that has resulted in a ranking penalty. Only one (1) additional ATP World Tour 500 event per year may be used to replace an ATP World Tour 500 ranking penalty.

* **Note 1:** Commitment players who are unable to fulfill their commitment, are not eligible to appeal the ranking penalty.

Note 2: Players returning to competition with an Entry Protection Ranking may replace ranking penalties assessed during the period of injury with results obtained at tournaments following their return to competition.

D. Loser points for the rounds achieved are awarded to players in any tournament not completed.

E. Ties. When two or more players have the same total number of points, ties shall be broken as follows:

- 1) the most total points from the Grand Slams, ATP World Tour Masters 1000 mandatory tournaments and ATP World Tour Finals main draws, and if still tied, then,
- 2) the fewest events played, counting all missed Grand Slams, ATP World Tour Masters 1000 tournaments they could have played (as described under A. above) as if played, and if still tied, then,
- 3) the highest number of points from one single tournament, then, if needed, the second highest, and so on.

position during the first three (3) months of his injury. The entry protection shall be for entry into the main draw or qualifying competition or for special exempt consideration. The entry protection shall not be used for seeding purposes or lucky loser consideration.

3) Limit of Use.

- a) If a player is physically injured and does not compete in any tennis event for a period of at least six (6) months but less than twelve (12) months, the entry protection shall be in effect for the first nine (9) singles and the first nine (9) doubles tournaments that the player competes in using the entry protection (excluding wild cards and entries as a direct acceptance with his current position in the Emirates ATP Rankings) or for the period up to nine (9) months beginning with the first tennis event, including Special Events – Exhibitions, that the player competes in, whichever occurs first.
- b) If a player is physically injured and does not compete in any tennis event for a period of twelve (12) months or longer, the entry protection shall be in effect for the first twelve (12) singles tournaments and the first twelve (12) doubles tournaments that the player competes in using the entry protection (excluding wild cards and entries as a direct acceptance with his current position in the Emirates ATP Rankings) or for the period up to twelve (12) months beginning with the first tennis event, including Special Events – Exhibitions, that the player competes in, whichever occurs first.

4) Expiration Date.

A player has three (3) years from the time that the injury occurred to activate his protected ranking and will not be eligible to use his entry protected ranking beyond this date. A player who does not compete in any tennis event, including Special Events – Exhibitions, for a period of three (3) years from the date of his injury will have his entry protection revoked.

5) Re-injury Protection.

A player who has returned to competition and re-injures himself may petition for a “freeze” of the nine (9) or twelve (12) month limit for competing using his protected ranking. To be eligible for the “freeze” the player must be out of competition for a minimum of three (3) months, the written petition for the “freeze” must be received within this period. Upon the player’s return to competition he shall have the same number of events and weeks remaining as were available when the “freeze” went into effect. A maximum of two (2) “freezes” are allowed during the nine (9) or twelve (12) month period.

Note: For purposes of this rule, three (3) months is calculated at thirteen (13) weeks; six (6) months is calculated at twenty-six (26) weeks; nine (9) months is calculated at thirty-nine (39) weeks; and twelve (12) months is calculated at fifty-two (52) weeks.

Case: *A player requests an entry protection freeze after the three (3) year expiration has passed; however, his last event played is before the three (3) year expiration date. Can the player “freeze” his protected ranking?*

Decision: *A player cannot request a “freeze” after the three (3) year expiration has passed.*

Case: *A player returns to competition following a “freeze”, the number of weeks remaining from the freeze extend beyond the three (3) year expiration date. Can the player use all remaining weeks past the three (3) year expiration date?*

IX. EMIRATES ATP RANKINGS

Decision: A player cannot extend the use of his entry protected ranking beyond the three (3) year expiration date.

Case: A player accepted in an ATP World Tour, ATP Challenger Tour main draw or ATP World Tour Qualifying list using a PR, withdraws prior to the withdrawal deadline and accepts a WC into the same event. Does this tournament count towards the total tournaments at which a player may use his PR?

Decision: No, this tournament will not count towards the player's total of tournaments.

9.04 Emirates ATP Doubles Rankings

A. The Emirates ATP Doubles Rankings is based on calculating, for each player, his total points from his best 18 results from all eligible tournaments, including the ATP World Tour Finals (Doubles) played in the Ranking period. For entry purposes there are no mandatory events, however, once a player is included in the main draw of any of the four (4) Grand Slams or the eight (8) ATP World Tour Masters 1000, as a direct acceptance, a qualifier, alternate or a lucky loser or having accepted a wild card, his result in one of these twelve (12) tournaments, shall count for his ranking, whether or not he participates.

IX. EMIRATES ATP RANKINGS

B. Loser points for the rounds achieved are awarded to players in any tournament not completed.

C. Ties. When two or more players have the same total number of points, ties shall be broken as follows:

- 1) the fewest events played*, and if still tied, then,
- 2) the most total points from the Grand Slams, ATP World Tour Masters 1000 mandatory tournaments and the ATP World Tour Finals (Doubles), and if still tied, then
- 3) the highest number of points from one single tournament, then, if needed, the second highest, etc.

*Once a team is included in the main draw of a Grand Slam or one of the eight (8) ATP World Tour Masters 1000 it shall count as an event played whether or not the team actually participated.

Note: The method for breaking ties on-site, between teams, is described under Selections of Entries.

D. Entry Protection. The Entry Protection, as described above for the Emirates ATP Rankings, applies for doubles under the same provisions.

E. Points. The provisions set forth under 9.03.E.1), 2) and 3) related to the Emirates ATP Rankings apply to doubles as well, the point table being similar, except that the second-round loser column becomes irrelevant. No points are awarded in the first round at any event. Should a doubles match in an ATP World Tour or Challenger Tour event be uncontested* or fail to be completed, the losing team shall only receive points and prize money from the previous round unless one of the following is applicable:

- a) Neither player was in the singles main draw;
- b) Both players used, or could have used**, their doubles ranking for entry into the doubles draw (does not apply to wild card teams).
- c) The retiring/withdrawing player is still in the singles competition and at the time of the medical examination is declared unfit to play in the singles of that event or, if no longer involved in the singles competition of that event, is forced to withdraw from the singles or doubles*** of the next tournament in which he is entered.
- d) The retiring/withdrawing player had withdrawn/retired from his singles match, which was scheduled the same day; or, if the doubles match is scheduled for a following day the player is examined by the tournament Doctor and is declared unfit for competition in the doubles event.

* A team withdrawing from the first round will not receive prize money even if there is not an alternate team.

** Example: Player A is not in the singles draw and his doubles ranking is 20; his partner, Player B, is in the singles draw with a ranking of 15. Player B's doubles ranking is 30. The cutoff for their method of entry is 60. Using player B's doubles ranking would have kept them as a direct acceptance so they qualify for exception b) above.

*** For ATP Challenger events the withdrawal for doubles must be after the withdrawal deadline.

IX. EMIRATES ATP RANKINGS

Case: *Player A retires / withdraws from the doubles for medical reasons. Player A is also in the singles draw but is not scheduled to play his next match until the next day. On the day of his scheduled singles match Player A withdraws from the singles and receives medical documentation from the Tournament Doctor declaring him unfit for competition. The medical condition is the same condition that caused the doubles retirement / withdrawal.*

Decision: *In this case the doubles team shall receive points / prize money from the round reached.*

Case: *Player A retires from the singles competition due to a medical issue. He is in the doubles competition but is not scheduled to play doubles that day. Player A is examined by the tournament Doctor who confirms that the medical issue is such that the player would not be able to compete in the doubles that week. May Player A's withdrawal and medical be accepted even though he is not scheduled to play doubles that day?*

Decision: *If the medical issue is such that the tournament Doctor can confirm the player's condition will not improve enough to compete in the doubles that week then the player may withdraw immediately and the medical is valid. Player A and his partner shall be eligible to receive ranking points and prize money from the round reached.*

Case: *Player A withdraws from the singles competition due to food poisoning, he is in the doubles competition but is not scheduled to play doubles until the next day. Player A would like to withdraw from the doubles immediately, however the tournament Doctor says he cannot declare him unfit for play for a match scheduled the following day.*

Decision: *If Player A withdraws from the doubles without a medical from the tournament Doctor declaring him unfit for play then the team receives ranking points / prize money from the previous round.*

Note: *In cases where the condition of the player is likely to improve in a short time period the tournament Doctor should examine the player on the day of the match to determine his status and if he feels the player is fit for competition.*

9.05 2017 Emirates ATP Doubles Team Rankings

- A.** Each team is ranked according to its total points from its best 18 results from all eligible tournaments (Grand Slam, ATP World Tour, including the ATP World Tour Finals) played in the calendar year.
- B.** Loser points for the rounds achieved are awarded to players in any tournament not completed.
- C. Ties.** Ties between two or more teams having the same total number of points shall be broken using the same methods as for breaking ties between players in the Emirates ATP Doubles Rankings.
- D. Points.** The provisions set forth under 9.05 E., including a), b) and c), apply as well when calculating the 2017 Emirates ATP Doubles Team Rankings.

IX. EMIRATES ATP RANKINGS

9.06 Retiring from the Professional Tennis Circuit

Any player wishing to officially retire from the professional tennis circuit must submit a signed Player Retirement Form to the Chief Player Officer of ATP. Once the signed form is received the player shall be removed from the Emirates ATP Rankings (singles and doubles). The player also agrees to the terms of the Tennis Anti-Doping Program regarding reinstatement protocol.
